EYEBROW & EYELASH TWEEZERS

Types of Eyebrows Tweezers by Belleza Corp.

CLASSIC	Slanted Tip		Fits the curve of your eyebrows perfectly. The inner tweezers grip the hair fully, pulling it out from the root.
POINTER	Pointed Tip		Perfect for removing ingrown hairs, thorns, splinters, fine hairs, blackheads, and ingrown whiskers.
EVOLUTION	Slanted and Pointed Tip		A two-in-one tool, ideal for ingrown hairs. The pointed tip lifts the hair to the surface, while the slanted end effortlessly removes it.
CRAB	Squared Tip		Perfect for shaping eyebrows and removing fine or coarse hairs. Its precise alignment grips hairs securely.
